HOME ZONE

HOMESCHOOL PHYSICAL EDUCATION, SWIM, MUSIC & ART!

Home Zone is designed to help homeschooled elementary kids and tweens play, grow, and build lifelong healthy habits. This physical education program includes a variety of activities like team sports, and staff led games! Students receive the benefits of in-school PE including the opportunity to socialize with other kids their age, which develops teamwork and leadership skills!

Participants in the PE program will now have the opportunity to sign up for art, music, and/or swim for \$10 each! These classes do not overlap, so children can participate in each session they would like!

NEW

**Mandatory Open House
January 17, 2024 11:30am**

**Oneida Family YMCA
